### TREATMENT AGREEMENT FOR TEENS / CHILDREN

**FEES:** The fee per 50-minute session is \$\_\_120\_\_\_\_. This is payable at the time of our session unless I am billing your insurance (see below for insurance billing information).

**CANCELLATION:** Sessions are by appointment only. While I dislike charging for missed sessions, I do reserve that time for you. Therefore, you will be charged \$\_120\_\_\_\_ (not just a copayment) for missed sessions or for those cancelled without 24-hour notice, except in medical or other emergency.

**INSURANCE:** It is essential that you tell me about all possible insurance plans you have that might cover my services (ex. if a child might have coverage through both parents' plans). Please be aware that I will be required to provide a diagnosis on invoices and claims, and coverage may be limited to certain mental conditions. Even if you have coverage for unlimited sessions, health plans may review treatment, limit coverage, and request treatment notes. While I may check coverage for you, you are responsible for verifying and understanding the limits of your coverage. Although I am happy to assist you in obtaining reimbursement, I am unable to guarantee whether your health plan will provide payment for the services provided.

**If I am a provider with your plan:** I will submit claims for you, but at our session you must pay copayments and any portion not covered by your plan. There may be a deductible (an annual amount you will need to pay out of pocket before your plan begins to cover sessions). If insurance does not pay as expected, you remain responsible for the balance.

**If I am NOT a provider for your plan:** You will pay me in full at the session. I can give you an invoice if you wish to seek reimbursement from your plan, though many plans do not cover sessions with a provider who is not in their network.

#### **Please sign the following, if using your insurance plan**

1. *"I authorize the release of any information necessary (Including notes, treatment summaries and diagnosis) to process claims, to prove medical necessity for treatment, to request additional sessions, or to comply with treatment reviews or mandated administrative chart reviews from the insurance plan.*

(Parent or Guardian: Sign here:) X\_\_\_\_\_

(If applicable, Second Parent signature:) \_\_\_\_\_

2. "I authorize payment of benefits to be made to my therapist for services provided."

(Parent or Guardian: Sign here:) X\_\_\_\_\_

**CONFIDENTIALITY:** Client attendance, information, and records are protected and confidential. Since openness and trust are essential to effective therapy, it is important that a teen or child feels s/he has privacy to discuss all the issues that are troubling them. While parents have a right to know about their child's progress in therapy, I will limit disclosures to parents to what I feel is in the child's best interest, what the child has given me permission to share, or when there are safety issues. Since the goal is to build trust and minimize secrets, clients will be made aware of any communication with family members.
